Fixes in this Release

-

What's New in this Release

- Supports Windows 10 version 20H1 and newer

Installation and Configuration Instructions

To install the NFC driver 12.0.6.0 update, perform the following steps:

1. Download the update and save to the directory location of your choice.
2. Unzip the file to a location on your local drive.
3. Right-click the installer (NFC_install.cmd) and select "Run as administrator".
4. The update process completes quickly with no additional user action.

Licensing

Refer to your applicable end-user licensing agreement for usage terms.
